STC Charities, the charitable arm of SaddleBrooke Tennis Club, sincerely thanks you for your generous support of our 7th annual Serve `Em Up For Charity Tennis Event. Over **\$17,000** was raised for this year's designated organizations: Southern Arizona Children's Advocacy Center and Tri-Community Food Bank. Thanks to your support and that of our members, much help will be given to these highly respected Tucson-area programs.

Your generous support is gratefully acknowledged. As promised, we are also enclosing a flyer acknowledging all sponsors and donors, which was distributed to all 4600 households in SaddleBrooke.

Each year, STC Charities selects a deserving local charity. We hope you'll consider joining us again in this very worthy program.

Yours truly,

Diane Ray
STC Charities Chair
